Summary: Pearl is your average smart highschool gem. At least, that is what everyone seems to think. When she gets home, she will be the laziest gem you will ever encounter. This is her himouto life.

Himouto Pearl-Chan

**\*\*This is a Steven Universe version of the anime "Himouto Umaru-chan." I hope you like this parody!\*\***

"\_Our fellow Crystal Gem, Pearl is beautiful and smart.\_

\_She is gifted with many talents.\_

\_She also a straight A student.\_

\_She has many friends and is adored by everyone.\_

\_She never gives up on her hardwork and studies almost everyday all day."\_

\_At least. That is what everyone thinksâ€|\_

The second Pearl walks through the door of their homeâ€| She shrinks. She runs to her computer to play games. In fact, she is going to stay at that computer all day.

"\_Yep. This is our fellow Crystal Gem, Pearl. Our lazy little Pearl. She does nothing but eat chips, drink cola, and using electronics! This is her himono life. She even wears a hamster hoodie! I mean, what is more cuter than that? She is even lazier than Amethyst. She refuses to help out on missions and never leaves her computer. Ever since Steven was born, she has become even more lazier and lazier. I really hope things go back to how they first were.\_

\_Sincerely, Garnet.\_
